Re: Tricon Industries, Inc.

Dear Ms. Douglas:

Attached please find a letter our Office received from the President of Tricon Industries, Inc. which I believe is your client. Since we are concerned about an appearance of ex parte communication with your client, we are sharing this information with you.

We do wish to advise Mr. Grandle that all information we receive will be carefully considered and taken into account when an enforcement decision is made by this Office. I have forwarded this letter and its attachments to the Illinois EPA for its review. If you have any other questions please do not hesitate to call or write.

Very truly yours
